

The Fling – Flower Gardens Dive Trip Agreement

Dates: _____ to _____

I hereby engage Adventure Scuba to coordinate the Flower Gardens trip on the dates listed below. I agree to pay Adventure Scuba a non-refundable deposit of \$_____ and no later than ___/___/___, the non-refundable balance of \$_____ to hold my reservation. I also understand that if the balance is not paid by the listed date, Adventure Scuba can resell my spot. I understand that Adventure Scuba will make the prepaid reservations for me with the Fling and if there are 5 or more divers, will provide a Trip Leader who is familiar with the locality. I understand that Adventure Scuba expressly disclaims any responsibility other than for coordinating arrangements with The Fling, selected to provide live aboard accommodations, and open water diving activities. I agree to arrange for all my own diving gear including weights and safety sausage. Adventure Scuba recommends that you obtain trip and dive medical insurance.

_____ Initial

I represent that I have been duly certified by a recognized association of diving instructors, and agree that I will exercise appropriate care at all times during my diving activities, including the use and observation of proper buddy system techniques, suitable equipment, appropriate ascent and decent procedures, and no-decompression time and depth limits. I also represent that I am current with diving procedures, skills, and dive tables as set forth by a recognized certification agency. _____ Initial

I fully understand the dangers incidental to diving that may result from local hazards, physiological conditions, weather, climate, failure of equipment, limited visibility, marine life, current and surf, and I expressly assume all risk of harm to me in encountering such dangers. I agree to rely on local diving service, and not Adventure Scuba for orientation to local conditions, such instruction and such supervision as are necessary for my diving. _____ Initial
